

Yale Spina  
Board Chair  
Sky Tavern Board of Directors

Yale Spina is the grandson of Rocco Spina, one of the early founders of the Sky Tavern Ski Program when the City of Reno acquired the property in the early 1960s. He spent his formative years at Sky Tavern which ignited a lifelong love of skiing and the Ski Industry. Starting with armature freestyle competitions that blossomed into a professional ski career spanning the globe as a pro-mogul competitor, stunt show acrobat and aerialist. After his ski career, Yale dove into hotel management, spending 17 years as a casino hotel professional and most recently serving as COO for RVC Outdoor Destinations, an upscale RV hospitality and glamping developer. Now retired and relocated to the Reno area, Yale is spending his early retirement giving back to the place that gave him a start, Sky Tavern.
